Background Paper on Whole-Cell, Killed Oral Cholera Vaccines

[Background paper prepared by the SAGE Working Group on Oral Cholera Vaccines, the World Health Organization \(WHO\) Secretariat, and the Centers for Disease Control and Prevention](#) [1].

ABSTRACT

This background document presents updated information on whole-cell, killed, oral cholera vaccines since the previous oral cholera vaccine position paper (2010), describes the relevant data reviewed by the working group and the resulting proposed recommendations for whole-cell, killed oral cholera vaccines for SAGE deliberation and consideration.
